

## **General Survey of Mind Set, Attitude & Demeanor**

*By Dr. Casper Odinson Cröwell, Ph.D.*

\* There are **NO** incorrect answers to the following twelve queries.

Survey Information: All information is kept in strict confidence.

Date:

Location:

Time:

Subject ID:

Gender:

Age:

1) You are standing on the side of a road when you see an approaching bus. When the bus stops, do you get on the bus, or allow it to pass by?

Why?

2) A hen is sitting dead center atop a roof. The roof slants 45 degrees on either side. If the hen lays an egg, which side of the roof would the egg traverse down?

3) Which would you prefer, a rain cloud, or the rain?

4) Which would you prefer, a sunrise, or a sunset?

5) (A) Which would prefer at this moment, dark or light?

(B) Which would you prefer overall, dark or light?

- 6) You are standing at point 'A', your destination is point 'D'. Do you stop at points 'B' & 'C' on your way to point 'D', or do you go directly from point 'A' to point 'D' ?
- 7) You are traveling from Barstow, California to Las Vegas, Nevada. The highway is a desolate stretch of desert road. You see a beautiful woman (or handsome man) hitchhiking. Do you stop to offer her (or him), a ride, or do you pass her (or him) by?
- 8) You are on a ship on the ocean and you see a small deserted isle with a single palm tree. The tree is leaning to the East. Which way is the wind blowing?
- 9) Assuming you had to ride a public bus. Where would you sit, in the front or back of the bus?
- 10) (A) If you had your choice of teachers and the class subject was one you truly desired to learn, would you choose the teacher younger than yourself or the one your own age or older than yourself?
- (B) Would you choose a male, or female?

- 11) Is this glass half empty, or half full?
- 12) Does answering these queries evoke a sense of paranoia, or nervousness?

\*\*As stated from the start, there are no incorrect answers to these queries. They are simply a series of questions designed to elicit replies which may determine one's attitude and state of mind via the vehicle of perspective.
